- NO, I do not wish to have any contact information listed with my name in the Members Gallery for this year

*If you go to the Members Gallery of the SCAA Website (www.stcatharinesart.com), you will see that all active members are listed by name and “selfie” photo, which will link to each member’s own page. For privacy purposes, none of your contact info can be posted on the website unless you check off the YES box.
