

Esa Studio Art Presents:
ONE-DAY Creative Painting Workshop in Port Colborne,
Great Lakes Light – April 7 Wed. or April 8 Thu. or April 9 Fri.
(choose the day, that best suits you)

All Supplies Provided by Studio (brushes, paints, painting supplies)

Our studio gallery in Port Colborne will have this, *one-day* workshop on **Wednesday** (April 7) or **Thursday** (April 8) or **Friday** (April 9). If you are interested in attending to this workshop, please let me know, because the space is limited. If you are busy on Wednesday, you can take this workshop on Thursday or Friday. The classes are small and informal (limited to 4 students in each class, to maintain the 6 feet social distancing). The teacher will no longer go from table to table to help but the students can bring their art on the teacher's desk in front and get help from a proper distance. The disinfectant and paper towels will be available. Please, *bring your own mask*.

Class fee is \$75.00 (no credit cards or e-transfers please). There are no other costs. You can pay in the morning of the workshop.

We will have everything supplied in the class (such as prepared painting surfaces, paints etc.), so you do not need to bring anything to this workshop. The frame is optional. We paint with acrylic paints, and as a result, there is no turpentine or other solvents used at class.

This workshop runs from 9 am to afternoon. You can bring your own lunch, if you wish. Unfortunately, because of the pandemic protocols, we cannot serve coffee or tea, so please bring your own beverage. Also, *bring your own mask* that you can wear during the class time.

Looking forward to hearing from you.

Maila Nieminen, Teaching Workshop Coordinator
Esa Studio-Gallery, **471 Stanley Street, Port Colborne, ON, L3K 3A8**
