Welcome to the first St. Catharines OPEN STUDIO TOUR Showcasing the best of local art

Explore the works of 19 local artists in 9 locations and enjoy a rare behind-the-scenes look at their professional working spaces. Discover a wide range of creative practices, meet the artists, soak up the inspiration—and enjoy the opportunity to purchase original artwork made right here in Niagara.

Use the map to plan your own route. Visit just a few studios or make a day of it and see them all—it's entirely up to you.

This event is organized by the St. Catharines Art Association, proudly celebrating 75 years of making the world more colourful.
