

Dear SCAA Colleagues,

Our monthly meeting yesterday, attended by approximately 55 members, was a great success. Our speaker, Jon Shaw, delivered a lively, engaging, and informative presentation.

We are also pleased to report that within just one day, we sold out the **SCAA 2026 Summer Exhibition**
Fort Erie Public Library | June 1–August 31
We are now fully booked.

Our next exhibition is nearly full. We can accommodate only five more SCAA members on a first-come, first-served basis. Members who have not yet registered may do so by sending a \$20 e-transfer to SCAA and emailing me the details of their artwork: Title, Medium, Size (H × W in inches), Price, and Telephone Number.

If you register, please also ensure that you follow the schedule below carefully:
