## Message from our Treasurer

We are so happy to be planning and working towards getting the SCAA back up and running after this long Covid-19 break we all had. Although the future is still uncertain as to when we will be able to all meet up, I am happy to announce that we have organized a new leadership team that is working on plans to make this coming year as exciting as possible! I hope you all have been taking advantage of this down time as an opportunity to focus on producing your art, preparing for when things open up with a new collection of work ready to inspire art enthusiasts to come out and see (and purchase) your beautiful works. I know it was probably a little tough to focus when the future was so unclear, but, we are almost there! So, start painting and planning on what you would like to show the world after such a life disrupting event that this Pandemic has been.

Can't wait to see everyone soon !!!

Unfortunately, three key positions are still vacant and we are still hoping a few of you will come forward and take over the leadership positions of President & Vice President and Program Coordinator.

**Please consider volunteering! Our members are always eager to help out when it comes to meetings, exhibitions, etc, so that these positions are not difficult, they just require commitment.**

The Board discussed presenters and program ideas, and as soon as we are able to obtain our meeting room at Grantham United, we will proceed with...what else? Our annual critique night! We imagine during the past year and a half, you've all been painting up a storm and have lots of paintings to choose from!!!

We are keeping an eye on the COVID situation while planning for a fantastic year next year, hopefully we can celebrate the SCAA's 70<sup>th</sup> Anniversary retroactively.

In the meantime, please stay safe!
